

Taft Elementary School, 1909

TAFT FOUNDATION'S OFFICIAL CALL FOR MEMBERSHIP

Taft Foundation is well into its 2nd year of supporting educational programs to support students at Taft Elementary School. We are seeking interested persons in our community to become members of Foundation. Members do not need to be a part of the Taft School family. Anyone with a philanthropic passion for supporting education is more than welcome to join.

Members contribute their time and expertise in many ways. Whether you have a knack for developing innovative ways to raise money, advertise in our community, balance budgets, word processing, or can communicate needs between Taft teachers and Foundation, your support is truly needed.

Donations may be made by check payable to 'Taft Foundation'. All donations are 100% tax deductible.

Taft Elementary School is a place that has offered quality education for over 100 years. Taft School abounds with historical charm that enriches and preserves Lockport's historical significance. Help us keep the spirit alive for the next 100 years.
