## StagePlay: Musical Theater for Kids!

Does your child love to sing, dance, and perform for others? This entertaining program emphasizes the journey toward producing a show from start to finish, while creating a fun environment to stretch dramatic wings. Our rockin' adaptation of the tale of Snow White will make even the most jaded among us laugh out loud as the musical introduces fresh new faces and comedic twists to the classic tale by Brother's Grimm.

The performance on **Tuesday**, **May 16** will give the cast a chance to show friends and family all that they have learned in only fourteen weeks. Included in the registration fee is a performance video. For more information, email <a href="mailto:info@stageplaykids.com">info@stageplaykids.com</a>.
