

Every day your student needs to be self-certified by the Parent or Guardian before entering the school.

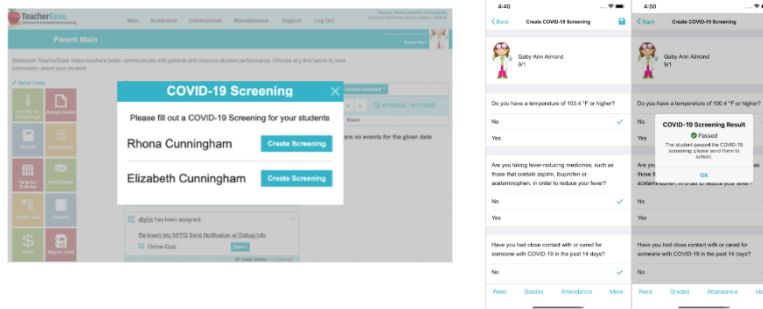

Please follow the directions below to complete this process:

1. Download the mobile app
OR

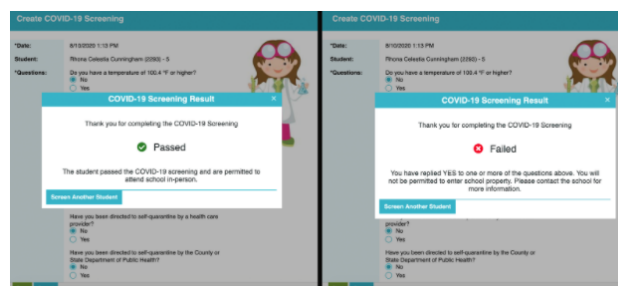

visit www.teacherease.com then log in with your user-id and password that was used to register the student this school year.

2. Once logged in you will be prompted to complete a COVID-19 screening questionnaire into the system.

3. Depending on the results you can enter the building if “passed” or contact the school at 815-838-0408 if a “failed” result occurs.

4. A temperature check will be taken by a staff member once the student arrives. Please note if the student temperature is 100.4 or higher the student will need to be sent back home.
